AICTE-CII Survey of Industry-Linked Technical Institutes 2015

CII
Confederation of Indian Industry

AICTE announces the 4th edition of survey on Industry–Academia collaboration in Technical Institutes being conducted with Confederation of Indian Industry (CII) since 2012. This survey has been successfully mapping the Industry Linkages of Indian Technical Institutes across Four streams—Engineering, Management, Pharmacy and Architecture. It showcases the best practices of partnerships with industry and highlights the strengths and weaknesses of the ecosystem of Technical Education in India.

PARAMETERS

Governance • Faculty • Services
Curriculum • Infrastructure • Placements
