Transforming Education Through Digital Technologies

OBJECTIVE :

SWAYAM is designed to achieve the three cardinal principles of Education Policy viz., Access, Equity and Quality. SWAYAM seeks to bridge the digital divide for students who have hitherto remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy.

OVERCOMING LANGUAGE BARRIERS

The mission of translation into regional languages seeks to provide learning in the mother tongue and to promote the strength, usage, and vibrancy of Indian regional languages.

Providing emphasis to Indian regional languages by facilitating translation of seminal online SWAYAM courses from one language to other languages. This, in turn, will equip students who find it difficult to access knowledge because of a language barrier.

TRANSLATION OBJECTIVES

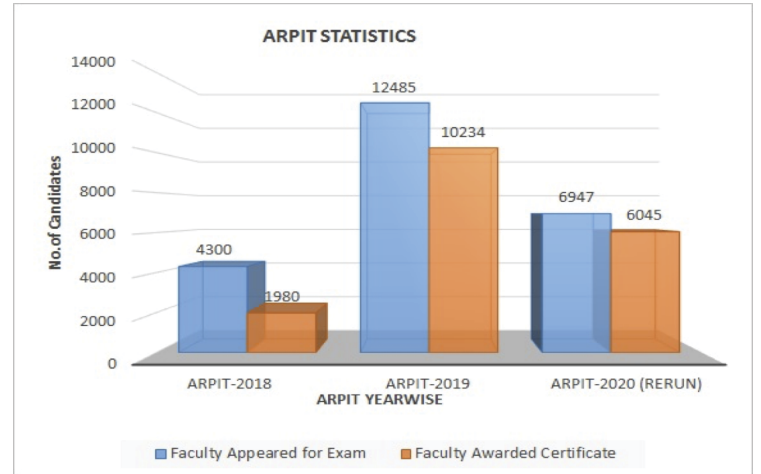

1. Better Skill Development of the learners across the country in higher education.
2. This will help provide quality teaching to more students achieving Higher Rates of Participation and thus increase Gross Enrolment Ratio (GER) in higher education.
3. Better Learning outcomes.
4. Building an equitable education system.

SWAYAM FOR FACULTY

Annual Refresher Programme in Teaching (ARPIT) is a major and unique initiative of Ministry Of Education under PMMMNMTT Scheme for Professional Development of 1.5 million Higher Education Faculty in various specific disciplines using the MOOC's platform SWAYAM.

So far, Ministry Of Education has conducted three ARPIT programs viz. ARPIT-2018, ARPIT-2019 & ARPIT-2020.

Faculty can use certificates for availing the equivalence recognized by UGC, as a refresher course for their Career Advancement Scheme (CAS). Non-Faculty Learners are also given certificates by AICTE as a NC.
