

Circular**Sub: Selection of proposals under Collaborative Research Scheme (TEQIP-III):
Announcement for Phase-I**

Sir / Madam

NPIU-MHRD appreciates the overwhelming response received from TEQIP Faculty for Collaborative Research Scheme (CRS). AICTE has evaluated the proposals through a team of experts from respective areas. MHRD announces the first phase selection of research proposals and selected proposals along with the allocated funds is made available on NPIU / AICTE website.

In this connection, it is further informed that:

1. Additional proposals are under consideration and will be declared soon in Phase-2.
2. As communicated earlier, the Projects are to be planned for completion by 31st March 2020 or maximum by 30th September 2020 (if extension approved).
3. The 1st instalment of 25% of the approved budget for the Research Project will be transferred in the Institute's bank within a week after confirming the A/c details submitted by institute in the AICTE Mandate form at the time of application.
4. Though procurement is limited to 60% of the approved project cost, it may be increased maximum to 80% on the recommendation of the experts. Remaining approved budget is for recurring expenditure.
5. No international travel is permissible. The maximum admissible expenditure on domestic travel will be 15% of the project cost. It may include travel and accommodation of PI and Co-PIs and any other experts.
6. For any procurement in the program, TEQIP Purchase guidelines (World Bank guidelines) will be applicable. Also procurement through GeM must be preferred.
7. Quarterly review of the progress shall be taken and PI will be invited accordingly.
8. The revision in approved cost of the project may be considered subject to satisfactory progress of the project in next review.
9. A meeting of Principal Investigators (PIs) of the selected proposals shall be convened shortly, through a separate communication, at New Delhi to make aware the faculty about best practices, scope to scale up, expected timeline etc.

NPIU congratulates the PI & team on their selection and expects expeditious action to make the project successful by achieving committed outcomes within stipulated timeline.
