**Subject: Prevention and prohibition of Ragging in Technical Institution, Universities, Anti-Ragging Committee in Colleges**

*Respected Sir / Madam,*

In order to prevent ragging, All India Council for Technical Education (AICTE) has framed All India Council for Technical Education's Prevention and prohibition of Ragging in Technical Institution, Universities including Deemed to be Universities imparting technical education Regulations, 2009. These Regulations are mandatory and all AICTE approved Institutions/Universities are required to take necessary steps for its implementation including monitoring the mechanism as per provisions prescribed in the above Regulations and ensure strict compliance.

This initiative is one of the Council's proactive steps to ensure conducive learning spaces and increasing awareness against ragging. It is further desired that all Institutes/Universities constitute an Anti-Ragging Committee to adopt the following activities:

- 1) Create awareness about anti-ragging norms and to ensure the "Ragging- Free" Campus and Hostels.
- 2) Conduct of Introduction/ Orientation Programmes on Anti- Ragging.
- 3) Conduct various competitions, such as slogan & essay writing poster making and logo designing on Anti Ragging and distribute certificates/prizes to encourage the students to create awareness and sensitization. Events like Anti-ragging workshops, seminars and other creative avenues to spread the idea.

The institutes/Universities must display Helpline numbers of Anti-Ragging squad at prominent places and ensure ragging-free campus with conducive learning environment.

We deeply appreciate your time and engagement.

*With regards,*

Yours sincerely,

*Mamta*
