F. No. AICTE/P&AP/Misc/2024/

Dated: 08.04.2024

To,

All Vice Chancellor of Technical Universities,
Directorate of Technical Education (All States/ UTs) and
All Directors/ Principals of AICTE Approved Institutions,

Sub: - Communication with students in their classes-reg.

Respected Sir / Madam,

In a diverse and culturally rich country like India, language is more than a means of communication; it is the essence of our identity, it is a bond that we share with one community. With the advent of the National Education Policy (NEP) 2020 and recent initiatives, the importance of using the mother tongue in the teaching-learning process and creating educational materials, is an opportunity to revolutionize education. Indian regional languages serve as a means of communication for millions of people who may not be fluent in other language.

Education and Learning in one's mother tongue has proven benefits. Children tend to grasp concepts better when taught in a language they understand well.

Teaching courses in Indian languages will ensure unbiased education and will be culturally and academically inclusive too. This will promote fairness in our education system, bringing all the students at par. This student-centric approach will lead to easy information sharing between teachers & students and even among peers. Accordingly, you are requested to encourage the faculty members of your institution to communicate with the students in local language.

We deeply appreciate your time and engagement.

With regards,

Mamta
Your sincerely,
08 Apr, 24
(Dr. Mamta Rani Agarwal)
