CIRCULAR

‘CREATORS OF METAVERSE’

Subject: Creator of Metaverse on Meta Spark AR workplace Experience and Micro Internships for students - reg.

Sir/Madam,

The All-India Council for Technical Education (AICTE), in collaboration with Meta and managed by IM1B, introduced the "**Creators of Metaverse**" program, a comprehensive three-phase initiative centered around Augmented Reality (AR) Technologies. The program was officially announced through a circular dated March 3, 2023. Since its inception, the initiative has garnered significant traction, with an impressive participation of over 25,000 individuals.

This circular serves as a testament to the enthusiastic response, AICTE is organizing some another batches of the program for the students which aimed at empowering the next generation of problem-solvers, creators, and entrepreneurs. This program aims to equip learners with the skills and knowledge needed to harness the power of AR and bring innovative solutions to global challenges.

The program aims to democratize the future of XR technologies and the Metaverse, inviting individuals with an interest in exploring and contributing to the Metaverse for the greater good to participate. The program is designed to provide learners with hands-on experience in AR and features live lecture sessions and mentor tracks that cover introductory knowledge of Extended Reality and the Metaverse, as well as advanced technical knowledge for developing AR experiences.

In this regard, all the AICTE-approved Institutions/Technical Universities are requested to nominate a faculty member as a Program Coordinator using the link and QR code below, who have not participated the programs earlier. **The deadline for registering your college and the coordinating faculty member is December 17th, 2023 (Sunday).**
