F. No. AICTE/P&AP/Misc/2023/

Dated: 25.08.2023

CIRCULAR

To

**All Vice Chancellors of Technical Universities and
All Directors/ Principals of AICTE Approved Institutions,**

**Sub: Institutional Membership of INAE for Engineering Colleges affiliated
to AICTE.**

Respected Sir/Madam,

Please refer to the enclosed letter of INAE dated June 23, 2023 on the above subject.

The Indian National Academy of Engineering (INAE), founded in 1987, comprises India's most distinguished engineering professionals, researchers, academicians and technologists drawn from the industry, academia, R & D organizations and strategic sectors covering the entire spectrum of engineering disciplines. INAE was established with the mission of providing vital inputs to the planning for the country's development related to engineering and technology and addressing related challenges and aspirations.

Most of the fellows of INAE from academia are associated with topmost Engineering Institutions of the country, including, IITs, IISc, NITs, Central and State Universities and premier self-financed Engineering Institutions.

In view of above, AICTE approved Engineering Colleges may enrol as "Institutional Member of INAE" which will enable them to be benefitted from INAE's most distinguished Expert Pool of Fellows in terms of various academic and research activities. For any clarification, kindly write to: inaehq@inae.in

With regards,

Mamta **Yours sincerely,**
(Dr. Mamta Rani Agarwal)
