

Provisional Merit List of Eligible Candidates who have applied for PM's Special Scholarship Scheme for Jammu Kashmir-2017-18

Provisional merit list for PMSSS 2017-18 based on the data filled in by candidates and considering HSC marks obtained from respective boards of examinations are prepared in two parts. These merit lists are provisional. Students are requested to verify their details and correct if any information is found to be incorrect. Facilitation centers are requested to help all such students who want to edit their information.

Chances of Admissions: Since there are limited seats and large number of candidates interested in availing this scheme, it is difficult to predict the possibility of getting admission. Admissions of students will be purely based on merit. There are reservations available for SC, ST and SEBC students as per rules.

Counselling schedule will be announced shortly and students will be invited based on merit numbers. Merely appearing name of candidate in the provisional merit list neither guarantees any admission nor scholarship.

Students with higher marks are more likely to get admission under PMSSS.
