ABOUT AICTE:

The All India Council for Technical Education (AICTE), set-up in November 1945 as a national level Apex Advisory Body, is marching ahead with its mission of developing and promoting qualitative technical education in the country in a coordinated and integrated manner. The Council is constantly endeavoring to encourage a meaningful association between the technical education system and research & development activities in a concerted effort aimed at nation-building.

IT INITIATIVES UNDERTAKEN BY THE AICTE:

Technical education at all levels in the country is witnessing a consistent growth pattern marked by the setting up of new Institutions and improvement of the existing ones in tune with the quality assurance norms. The Council believes in providing the proper impetus to Institutions in generating competent engineers and scientists and encouraging them to think beyond the curriculum while imparting training for the advancement of knowledge.

Having a larger public interface, e-Governance has become an essential part of the management system in AICTE. AICTE has introduced e-governance system for greater transparency and accountability in the working of AICTE. The emphasis on e-governance is to ensure transparency, implementing a tech-savvy approach to enable faster processing and clearly defining the infrastructural norms in Institutions are just a few pointers towards AICTE's efforts at fostering a technical education system which is at par with the best Institutions in the world.

CURRENT INFRASTRUCTURE

AICTE has its head office at Nelson Mandela Marg, Vasant Kunj, New Delhi-110067, another office at NBCC complex, Lodhi Road, Eight Regional offices and Four camp offices across the country. ter

PRELIMINARY SCRUTINY

- Prior to the detailed evaluation, the Purchaser will determine the substantial responsiveness of each offer to the tender document. For purpose to these clauses, a substantially responsive bid is one which confirms to all the terms and conditions of the Tender Document without material deviations. The purchaser’s determination of offer’s responsiveness is to be based on the contents of the Tender Offer itself without recourse to extrinsic evidence.
- The Purchaser will scrutinize the offer to determine whether the offer is complete, whether required technical documentation have been furnished, whether the documents have been properly signed, and whether the offer is in order.
- A tender offer determined as not substantially responsive will be rejected by the purchaser and the commercial bid for such Tenderer will not be opened.
- The Purchase may waive any minor infirmity or irregularity in a Tender offer, which does not constitute a material deviation. This shall be binding on all Tenderers and the Purchaser reserves the right of such waivers.

CLARIFICATION OF OFFER

- To assist in the scrutiny, evaluation and comparison of offer, the Purchaser may, at its discretion, ask some or all Tenderers for technical clarification of their offer. The request for such clarification and the response shall be in writing. To speed up the response process, the Purchaser, at its discretion, may ask for any technical clarification to be submitted by means of facsimile by the Tenderer. In such cases, original copy of the document describing the technical clarification must be sent to the Purchaser by means of courier / in person.

SHORT LISTING OF TENDERERS

The Purchaser will short list technically qualifying Tenderers and Commercial offers of only these Tenderers will be opened.

COMPLETION OF COMPLIANCE OF TENDER CONDITIONS AND STIPULATIONS AND PRICE COMPARISON

- The Purchaser will evaluate the commercial offers of Tenderers previously short- listed and determined to be substantially responsive.
- After opening of the commercial offers of the short-listed Tenderers, if there is a discrepancy between words and figures, the amount indicated in words will prevail.

AWARD CRITERIA

- Contract will be awarded to the Technically Qualified Tenderer whose Commercial Offer has been determined to be lowest evaluated offer with the right of AICTE to negotiate still for a better price. **The Commercial Offer will be considered in totality for the Entire Project. Individual Cost Components will not be considered in isolation for determining the Lowest Commercial Offer.** Contract may be awarded even if only one bidder qualifies Technical / Commercial offer. However, AICTE reserves the right to take appropriate decisions in such case which shall be final.
- Contract will be awarded for **5 (Five) years / 60 (Sixty) Months on Annual Renewal Basis** subject to **Satisfactory Performance.**

RIGHT TO ALTER ITEMS

As all the delivered hardware will be owned by the Bidder [Service Provider] during the entire period of the contract, the service provider will take insurance for all the network hardware items installed in the premises of AICTE locations for the entire duration of the contract period against all risks.

IPR INFRINGEMENT

As part of this project Bidder [Service Provider] will deliver different hardware / software [IOS]. If the use of any such software by / for AICTE, infringes the intellectual property rights of any third person, Service provider shall be primarily liable to indemnify AICTE to the extent of direct damages against all claims, demands, costs, charges, expenses, award, compensations etc. arising out of the proceedings initiated by third party for such infringement, subject to the conditions the claim relates to Software provided/used by Bidder/Service provider under this project.

ALTERNATE SERVICE PROVIDER

At any point during the contract, the AICTE reserves the right to engage Alternate Service Provider for redundancy / Backup.

LIMITATION OF LIABILITIES

In no event shall either party be liable with respect to its obligations under or arising out of this agreement for consequential, exemplary, punitive, special, or incidental damages, including, but not limited to, loss of data / programs or lost profits, loss of goodwill, work stoppage, computer failure, loss of work product or any and all other commercial damages or losses whether directly or indirectly caused, even if such party has been advised of the possibility of such damages. The aggregate liability of Bidder / Service Provider, arising at any time shall not exceed the total contract value.

E) FORCE MAJEURE

1. For the purposes of this agreement, Force Majeure means an event which is beyond the reasonable control of a Party and which makes a party's performance of its obligations hereunder impossible or so impractical as reasonably to be considered impossible in the circumstances and includes but is not limited to war, riots, civil disorder, earthquake, fire , explosion, storm, flood or other adverse conditions, strikes, lockout or other industrial action (except where such strikes, lock out or other industrial action are within the power of the party invoking Force Majeure to prevent), confiscation or any other action by government agencies.
2. Force Majeure shall not include any events caused due to acts/omissions of such Party or result from a breach/contravention of any of the terms of the Contract, Bid and/or the Tender. It shall also not include any default on the part of a Party due to its negligence or failure to implement the stipulated/proposed precautions, as were required to be taken under the Contract.
3. The failure or occurrence of a delay in performance of any of the obligations of either party shall constitute a Force Majeure event only where such failure or delay could not have reasonably been foreseen, or where despite the presence of adequate and stipulated safeguards the failure to perform obligations has occurred. In such an event, the affected party shall inform the other party in writing within five days of the occurrence of such event. The Purchaser will make the payments due for Services rendered till the occurrence of Force Majeure. However, any failure or lapse on the part of the Bidder / Bidder's Team in performing any obligation as is necessary and proper, to negate the damage due to projected Force Majeure events or to mitigate the damage that may be caused due to the abovementioned events or the failure to provide adequate disaster management/recovery or any failure in setting up a contingency mechanism would not constitute force majeure, as set out above.
4. In case of a Force Majeure, all Parties will endeavor to agree on an alternate mode of performance in order to ensure the continuity of service and implementation of the obligations of a party under the Contract and to minimize any adverse consequences of Force Majeure
