F.No.AICTE/e-Gov./Misc./264

Dated : 9.12.2021

Dear Sir/Madam,

Greetings from AICTE...!!

Ministry of External Affairs has received a letter from the High Commission of the Republic of Cyprus in New Delhi sharing their concern that recently many Indian academicians participated in the 5th International Conference on Natural Resources and Sustainable Environment Management (8-12 November 2021). The event was hosted virtually by the School of Civil and Environmental Engineering of the illegal "Near East University" in the occupied part of the Republic of Cyprus. The High Commission expressed deep concerns regarding the participation of the Indian academicians in the said conference.

All the AICTE Approved institutes may please take note of it and not allow their faculty members to participate in such Conferences.

You are also requested to instruct your Faculty not to attend and become party to such conferences organised by countries/states not recognised by Government of India. Please find Letter from High Commission of the Republic of Cyprus for reference.

This is issued with the approval of the competent authority.

Sincerely yours,

Dr. R.K. Soni  
Adviser II (e-Gov.)
